## OUR MISSION

Indiana Friends of Nyaka was founded in Bloomington, Indiana by Rev. David Bremer and Otto Ray in 2003 as a community initiative to support the construction and maintenance of Nyaka AIDS Orphans School, Uganda, Africa.

See their web site at: <http://www.nyakaschool.org>.

IFN functions as a bridge between two continents and two communities. Members have visited the village of Nyakageyzi to work at the school, made numerous presentations to raise awareness and funds, and have sponsored an annual fundraising banquet. Gifts to Nyaka have included books, a wheelchair for a handicapped student, garden tiller, sewing machines, sports equipment, mini-van and monetary support to build the initial school as well as pay for health care for the children.

If your church or organization is concerned about the AIDS crisis in Africa or interested in knowing how you can make a difference in the lives of children who otherwise would have no hope for a bright and productive future, please contact us. We will be happy to come speak with you.
