“We will not rest until our Grandmothers do.” - Jackson Kaguri

Nyaka is committed to serving the poorest of the poor orphans and Grandmothers in Uganda. Although we are helping hundreds of children and their families break the cycle of systemic deprivation and poverty, there are millions more.

Below are just some examples of the expenses we encounter while performing our mission. We hope this will help you understand how important your gift is in helping to meet the most basic needs of our AIDS Orphans in the rural communities of Nyaka and Kutamba.

\$25 Provides a school uniform, shoes, socks, underwear for one child to attend school

\$45 Provides a mat, blanket, pillow (for cold Ugandan nights) and mosquito net to prevent malaria for one child

\$150 Funds a micro-finance loan for one Grandmother that will help move her closer to economic independence

\$150 Pays one month’s salary for one teacher

\$250 Provides one year of primary school education for one student, including medical tests, food and clothing

\$250 Builds a latrine (outhouse) to increase overall health and sanitation for a host family

\$500 Sends one child to secondary school to continue their studies

Thank you for your generosity!
